

A partnership between the City of Ottawa and the Ottawa Volunteer Center

Lend a Helping Hand! Lend a Helping Hand!

The Good Neighbor Program is a partnership program between ECKAN's Volunteer Center and the City of Ottawa to ensure the safety of elderly and disabled individuals by providing snow and limb removal assistance.

Volunteers will be matched with individuals in the community who are unable to shovel snow and remove limbs due to age or disability. Volunteers are expected to shovel the snow from assigned location(s) when there are two or more inches of snowfall and remove limbs from a yard when the City has designated curb pick up.

To Volunteer
Contact Ottawa Volunteer
Center:

(785) 242-7450 Ext. 205
livers@eckan.org

To Apply For Assistance
