Councilman Forbes made the following motion. To transfer the balance of the Curb and Guttering account to the General Fund, Amount being $52.00.

Motion adopted.

Council Forbes moved that the mayor appoint a Committee to confer with the County Commissioners in regard to the erection, in the Court House Square of a building to be used jointly by the City and County; and such committee be authorized to contract on the part of the City for such building.

In case an agreement is reached for the erection of a building to be used jointly said Committee is empowered to erect a building on the Court house square, in accordance with permit recently granted by the County Commissioners; such building to be used by the City prisoners for cracking rock.

To this motion, Councilman DeFord offered the following amendment:

"That in case the Committee cannot agree with the County Commissioners to report back to the Council for further

instructions, on the ground that it is not legal or wise to appoint a Committee and instruct them to act without referring to Council. And the motion as amended was adopted.

Com. appointed to confer with Coun.

And in pursuance thereof, the Mayor appointed as such committee, Councillors Forbes, Ransom and Pickerell. with the understanding that a special meeting of the council should be called if no agreement was reached.

Some informal discussion was then had in regard to more diligence on the part of the Sheriff in enforcing sentences. and the matter of conferring with the Sheriff was referred to Committee on Police.

Councillor Pickerell then offered the following Resolution.

"Mayor and Council of the City of "Ottawa:

Resolution in regard to Telephone poles.

The Telephone poles of this City would be greatly improved in appearance if they were painted.

Therefore: Be it resolved, that the City Atty be requested to call the attention of the Company to the neglect of that clause in the Ordinance, giving the right to erect poles in the streets; and that he insist on the company giving the poles a neat coat of paint.

W. T. Pickerell

Resolution referred to Committee on Sidewalks and City Attorney.

Councillor Pickerell offered the following Resolution:

Resolution in regard to improvements on Walnut and second St.

Council Rooms Jany. 7th 1891

Whereas. Certain Citizens, to wit:- A Peter and others propose to make improvements by building a ten foot sidewalk of Ft. Scott Stone on Second St. from the alley in Block 57 to Walnut St., and north on Walnut St. 50 ft. and a walk of the same

stone 5 ft. in width along said Halmut St. north, and to furnish tiling to carry the water from the culvert across said Second Street and in Halmut Street, north, upon condition that the City recover the culvert and build crossing on Second Street from the S.E. corner of Block 57, to the N.E. corner of Block 70, and put in the tiling furnished by said parties.

Now therefore, Resolved that the City accept the proposition of said parties and agree to make the improvements named on condition that said parties do as they propose.

Jr. J. Pickerell

On motion this Resolution was adopted

Councilman Forbes, from the Committee on Fire and Water, to whom had been presented a petition signed by D. C. Campbell and 90 others, asking a reconsideration of the ordinance regulating the storing of hay within certain limits in this City

produced the following report:-

Report of Chn. A.T.Gr. Leon. on Pet. R.L. Kemp-bell et.al.

As a large majority of the property owners, for whose protection, the use of Loose hay, within the fire limits was prohibited, have expressed themselves as opposed to such prohibition, your committee recommend such changes in the ordinance as will permit such use; and we further recommend that the attached Petition with the signatures thereto, be entered upon the Records, in order that in the case of future disaster, this council be relieved from the responsibility for such actions.

J. E. Forbes
W. L. Pickerell

On motion of Councilman Young, that the report be adopted a vote was had and the motion prevailed.

The petition with its signatures, is as follows:-

To the the Honorable Mayor and Council Ottawa, Kansas:-

Gentlemen.

Petition to Repeal Sec. 5 Ord. No. 201.

We, the undersigned citizens and property owners of the City of Ottawa most respectfully petition your honorable body to call a meeting at an early date to take into consideration the question of reconsidering the ordinance recently passed regulating the storing of hay within certain limits in this City.

In calling the attention of your honorable body to this question, we do so believing that the said ordinance was enacted without being well considered and without fully realizing the scope and effect it would have and the damage it would occasion to valuable property in the prohibited limits, and without taking into consideration, the injury it would cause to those living outside of the City who have hay for sale.

The Committee on Health to whom was referred the Petition of A. P. Elder and others, for a Sewer Lateral in Blks 107 and 126 submits the following report.

Report of Health Com. on Pet. of A. P Elder for Sewer Lat. No 12.

Ottawa April 8. 1891.

To the Mayor and Council of the City of Ottawa:

Gentlemen:-

Your Health Committee to whom was referred the petition of A. P. Elder and others, asking that a Lateral Sewer be constructed through Blocks No. 107 + 120, from 5th to 7th Sts. would recommend that the petition be granted, and that the Mayor be instructed to advertize for Proposals for the construction of said Lateral Sewer.

Respectfully
R. Semple
J. C. Ransom
W. J. Pickerell.

At this point a remonstrance against a Sewer Lateral in Blocks No. 107. + 120. signed by A Muzzy and others, was presented and read.

The question was then called for as to the adoption of the Report of the Committee. And on motion of Councilman Ransom the Report was adopted.

Petition protesting of a Muzzy aged. Sewer Lateral No. 12.

Councilman Semple from the Committee on Health, asked further time before reporting on the Petition

Asked further time on A. P. Elder Petition

of A. H. Benson for a Sewer Lateral from 18th to 19th Sts. on Hickory. Further time was granted.

Councilman Semple offered the following Resolution.

Ottawa April 8. 1891.

Resolution to advertise for proposals No. 12.

Resolved That the Mayor be instructed to advertise for proposals for the construction of a Lateral Sewer in District No. 12. through Blocks No 107 and 120, in accordance with plans and specifications now on file in the office of the City Clerk.

Said bids to be received until 4. P. M. on the 15th day of April 1891. The council reserves the right to reject any or all bids.

Council Rooms
Ottawa, April 15. 1891

Semple offered Resolution tendering thanks to Mayor J.P. Harris

Resolved: That the thanks of this council
is hereby tendered the retiring Mayor
Hon. J.P. Harris for the uniform courtesy
extended by him to the members during
his term of office; and we also desire
to convey to him our appreciation of the
valuable services he has rendered in all
matters pertaining to the welfare of
the city.

Resolved: That a copy of these resolution
be entered on the Journal of this council

R.K. Semple.

On motion this Resolution was adopted

In reply to this Resolution, Mr.
Harris made the following remarks:

Reply of Mayor Harris

"With this meeting of the council
ends my term of office as Mayor of the
City, and I wish to thank the members
of the Council for the kindness and
courtesy shown me during my brief term
as your presiding officer. I feel that you
can point with honorable pride to the
administration of this council. You have

vailable cash for the balance of the yea
$17.347.32; leaving the City finances in
most excellent condition.

The city records were never kept in better form and more complete than they have been for the past two years. And I wish to extend my thanks to the City Clerk for the excellent service rendered by her to the City.

The police force have been active and vigilant. Burglars have been scarce and but few tramps. Street Commissioner City Atty and other City officers have faithfully discharged their duties.

And again thanking you for the kindly feeling expressed in the resolutions you have passed I now have the pleasure of presenting to you my successor H. J. Smith

Retiring council adjourn.

On motion the retiring council then adjourned, and the Mayor elect Horace J Smith and Councilmen elect, Franklin Rayson, Semple and Ward then took the oath of office administered to them by the City Clerk.

Mayor and Council take oath of office

And Council resumed its regular order of business, with Mayor Smith in the chair.

Roll Called.

The following gentlemen were present and answered to their names. Messrs Anthony, Orford, Franklin, Pickerell, Ransom, Semple and Young.

Quorum Present.

Mayor's Message

The Mayor then addressed the council as follows:-

Gentlemen of the Council:-

Having been chosen to fill the position of Mayor of our City for the ensuing year, it is with some misgivings as to my ability upon the discharge of the duties of the office. In all my acts I hope to merit your approval and receive your hearty co-operation - without this I will surely fail - with it I shall feel reasonably certain of success.

In entering upon my official duties, I find with much satisfaction that my predecessor in office, with the aid of the retiring council have left the city finances in excellent condition. The current expenses are all paid and the obligations maturing during the present fiscal year fully provided for.

A statement of the city's bonded indebtedness, outstanding time warrants and available resources is hereto appended.

Our excellent system of sewerage which was inaugurated some three years ago and which has been extended from time to time, by the addition of lateral sewer districts, will, I trust, receive your careful attention. Nothing tends so much to improve the health of the city and add to the comfort and convenience of the homes of our citizens as a good system of sewerage. I trust the system may be extended and the owners of residence property be encouraged to connect whenever there is a reasonable demand and where it can be done without too great a burden.

Considerable complaint has been made by citizens of the quality of water furnished by the Water Works Co., for domestic purposes. So far as my own observations go, the quality of water has been fairly satisfactory except at short intervals of high water in the river. If this defect can be remedied it is not an unreasonable demand to require it to be done, so that the quality of water at all times will be according to the contract with the water works Co.

Our city parks and beautifully shaded streets are both a pride and pleasure to our people. Whatever can be done to make them still more attractive without adding to the burden of taxation

I trust will receive your sanction.
Ottawa has an excellent and efficient fire department doing good work. It should receive all the aid and encouragement we are able to give it consistent with a fair degree of economy.

Our railway yard and repair shops probably contribute more than any other single industry to sustain our population and add to the material prosperity of our business houses.

Anything that can be done to induce the company to increase the capacity of the shops and bring the homes of more of the employes to Ottawa, should receive careful attention.

Our educational advantages are equalled by very few and excelled by no community in the state. The common schools have been brought to a very high state of efficiency. The annual tax levy asked for by the school board for their support has been cheerfully made and the taxes readily paid by our citizens. The Ottawa University, a denominational school located here is now fast increasing in strength and usefulness to our people. While it does not come in any way under our supervision and asks of us no financial aid in our official capacity, still it has reached a point where it adds largely to our material prosperity as well as the intellectual advancement of our community.

I trust our citizens will, in their individual capacity respond as liberally as their means will allow to aid in the completion of the buildings now in course of erection.

Anything that tends to improve the morals and increase the intelligence of the people and especially the young, is worthy of your fostering care, to that end, I

heartily approve of the aid heretofore extended to the Library and free reading room established in our city! I trust the appropriation now given to this worthy object will be continued in the future.

We feel a just pride in the sobriety and intelligence of our people, in the beauty of our homes, in the morality and general good order that everywhere prevails in the community. I trust that during the coming year like good order will prevail, that just and wholesome measures may be enacted which will continue to make Ottawa, as she now is, the foremost city in the State in everything that tends to make a prosperous and happy community.

Horace J. Smith Mayor

Elder asks amendment to ord. relating to Steam Engines

Mr A. P. Elder appeared in person
before the council and asked that
an amendment might be made
to the ordinance relating to Steam-en-
gines now in force, allowing the build-
ing to be made of iron.

Councilman Ackerell moved that
the matter be referred to the City Att
orney in connection with the Com-
mittee on ordinances, and that an
ordinance be drawn up allowing the
use of iron, as an amendment to the
ordinance now in force.

Motion prevailed.

On motion of Councilman Ackerell
council adjourned.

Remonstrance Sewer Lab. Blk 108 + 121

A remonstrance signed by Grabendike and several others protesting against a sewer lateral in Blocks 108 and 121 as prayed for in petition hereto fore presented, was read and referred to Committee on Health.

Councilman Pickerell then offered the following resolution" June 3" 91

Resolution City Marshal urged his efforts

To the Mayor + Council of the City of Ottawa:

Whereas: Good and wholesome laws for a City are no less important, than that they be faithfully enforced, and to insure that obedience necessary to good govt. it is very essential that the executive authority be possessed of a vigilance that knows no wavering or "Shadow of turning". And Whereas: The prosperity depends greatly on the efficiency of the city Marshall, Therefore be it resolved: That this council demand a more vigorous enforcement of the Ordinances relating to "Registering of dogs" trimming of trees" + the removal of objectionable matter from the alleys".

To this end, the Marshall is hereby required to replenish his energies, + make report at the next meeting of the council showing by name those notified, the number that have complied with his demand, and the number against whom legal complaint has been made also, the result of any legal proceedings

W. L. Pickerell

Councilman Defordy then made a motion to add a clause to this Resolution," abating if possible, the crowds congregating on the corner of the First National Bank; and

Motion to abate omission on corner

Councilman Anthony remarked that other corners on the north side of the river needed attention, when it was finally decided that the Marshall take notice of all corners

upon this Resolution and the motion to amend, a vote was had and the Resolution was adopted

Councilman Pickerell then offered the following Resolution.

Resolution to allow Thos. Harrington the use of Forest Park

Whereas. By a vacation of Ash street north of the river, a piece of land lying between the Park and Wilson Creek belonging to Thomas Harrington has become inaccessible by any street or road, and the only convenient way of getting to it is through Forest Park now therefore; Resolved: That the Park Commissioners be authorized and directed by the council to have constructed, at the expense of the City, a gate at some point on the west side of the Park, whereby said Harrington or his assigns may have ingress and egress to said piece of land through the Park, so long as this privilege shall be used by said Harrington or his assigns without injury to said Park

Dated Council Rooms June 3, 1891.

Adjourned meeting

Council met pursuant to adjournment. Mayor in the Chair. Roll called. The following gentlemen were present and answered to their names.
Aldermen Dalford, Franklin, Fogerell, Lawson, Semple, Young and Ward.
Quorum Present.

Mayor reports on 12th St.

The Mayor made a report on the matter referred to him with reference to the condition of First Street, that he had written to the authorities of the M. P. R. R. Co. and in connection therewith offered the following resolution:

Whereas, First street in this city extending from Main to Oak Street is almost impassable during a considerable portion of the year, rendered so largely by the laying of the Missouri Pacific Railroad track through said street, and

Whereas, said street is used almost exclusively in going to and from the depot of said company,

Therefore Resolved, That it is the unanimous sentiment of the City Council that the said Missouri Pacific Railroad Company ought to keep said street in good condition for the traffic that passes over it; to that end the city agrees, if the said railroad company will deliver on board the cars here, in Ottawa the necessary macadam to pave said street, from Main to Oak, on the south side of their track, that the city will take it from the cars and spread it properly upon the street.

At this point Councilman Anthony took his seat.

On motion of Councilman Semple the resolution was adopted as read.

Frame Special Police.

The Mayor informed the council that he had appointed Wm J. B Frame to fill the position of special police for the purpose of working city prisoners. Appointment confirmed.

Send resolution re hospital

The Mayor referred again to the Hospital Fire Protection and the clerk was instructed to send the Authorities of the Santa Fe, R.R. Co. a copy of the resolution heretofore adopted by the council.

Here the Mayor excused himself and Councilman Semple as President of the council took his chair.

Ottawa Water Works Hydrant rental

The Committee on Fire and Water report on the bill of the Water Works Co. of $150750, as re-committed to them at the last meeting for investigation of repairs done by the Co. on Main St. South of the bridge, and recommend payment of $147525; repairs having amounted to $6450 and requiring the city to pay half. amounting to $3225.

On motion of Councilman Young that the report be adopted, a vote was had and the motion was lost.

Councilmen Dysord then moved to allow the Water Works Co. $144300, that being their bill of $150750 less the amount of $6450 charged for repairing the street on Main St. south of the bridge. Motion prevailed.

Report of Water Com on 7th & Ash St. hydrant.

The Committee on Fire and Water made a verbal report with reference to the hydrant on the corner of 7th & Ash Sts; that after looking the matter over carefully, they had decided that it would be unsafe to proceed any further in the matter in as much as the two inch pipe will not furnish the water needed for fire protection out there, and would only be an expence to the City for nothing.

Councilman Young moved that the

order heretofore passed by the council that the Water Works shut off that hydrant in at that place, be countermanded.

Motion prevailed.

claim of Rohrbaugh.

Here S. B. Rohrbaugh presented a claim against the City amounting to $320.94. Claim referred to Committee on Streets & Alleys.

The Committee on Streets and Alleys to whom was referred the petitions for paving alleys in Blocks 58-71 & 84 submit the following report. Aug. 12th 1891

To the Mayor & Councilmen of Ottawa Ks.

Report of Com. on S.T.A. with ref. to paving alleys

Your Com. on St. & Alleys have carefully investigated the matter of paving the alleys that has been referred to them and have the honor to report that the improvement asked for would be of great benefit, and is needed badly in Blocks 71 and 84, where the continuous grading and filling from year to year, in order to make them passable, has raised the alley above the floor on Main St. so that sewer water runs from the alley to the lot, and into the building in some instances. The alley ing Block 58 has good drainage, and the necessity for paving does not exist as in the other two Blocks. Therefore, your Committee would recommend that the prayer of the petitioners asking for pavement in Blocks 71 & 84 be granted & that necessary steps be taken to have the work to begin on Block 71, as soon as practicable, but that the work in Block 84, be deferred until May 1st 1892.

Further, that property owners who have not made necessary sewer connection on said alleys, be urged to do so, that the earth may be well settled before paving is commenced. The City to do the necessary grading and the expense of paving to be assessed against abutting lots in said

Blks 71, + 84. He would further recommend that domestic pipes 10" to 12" in depth and not less than 3" nor more than 8" in thickness be used; said rock to be set on edge, with flat surface on each side, so that each rock will press flat against the other.

Respectfully submitted
D. C. Lawson
H. L. Hargt
H. J. Pickerell

Councilman Dalford moved that as some of the property owners were dissatisfied that the report of the committee lay on the table until the petitioners could agree as to the manner in which they want this work done. A rising vote was called for, and the motion was adopted. Report laid on the table.

The Committee on Parks to whom was referred the petition for Gun Shot practice Report as follows:

Your Committee on Parks believe that firing off guns in the park would be objectionable, therefore could not favor the petition.

H. J. Pickerell.
J. H. Lawson

On motion this report was adopted.

Fined Beckman released

Fred Beckman, now a city prisoner, having been fined 30 days in the Co. jail, and $25.00 cost and having remained in jail 30 days asked through Councilman Young, to be released. Mr Beeler then presented a diagram representing the Dam as repaired, three feet lower and gave an estimate of the costs of repairs to be $700.

Resolution and repair dam

After some discussion, Councilman Young then offered the following Resolution, and moved its adoption

"Resolved, that the Committee on Sts. and Alleys be authorized to enter into an agreement with S. J. Beeler to repair the

the Dam in accordance with plan here submitted, and that such repairs are not to cost more than $700.00.

Council met pursuant to a call of the Mayor made and issued upon the written request of three councillors, to wit:- Mr. L. Ward, D. Deford and R. H. Semple.
Mayor in the Chair. Roll called The following gentlemen were present and answered to their names: Messrs Anthony, Defford, Mandlin, Rekerell, Ransom, Semple. Ward and Young.
Quorum Present.
Call read as follows:
To the Hon. Mayor of the City of Ottawa:
The undersigned Councillors of said city respectfully request you to call

a special meeting of the Council on Monday eve. at 8 o'clock P.M. for the purpose of considering the question of repairing the dam near Forest Park and to act upon a resolution to purchase lumber for Main & Locust street bridges together with such other business as may properly come before the Council on that evening.

Wm. L. Ward,
D. Dysart
R. H. Semple

The Resolution heretofore offered by councilman Young was again read as follows:

Resolved That the Committee on Streets and Alleys be authorized to enter into an agreement with S. T. Beeler to repair the dam in accordance with plan here submitted and that such repairs are not to cost more than $700.00

D. L. Young

The City Atty. here suggested the necessity of advertizing for bids before letting a contract of that kind, and upon that Councilman Young withdrew his Resolution. Some informal discussion was then had on this subject and Councilman Pickerell offered the following resolution:

Resolution to repair dam

Council Rooms Oct. 12, 1891.

Whereas, The dam near Forest Park in the City of Ottawa, when in proper condition helps to beautify said Park and thereby to make the city more attractive,

And Whereas, said dam has become badly out of repair and is fast going to destruction, and is unsightly in its present condition, Now Therefore,

Resolved, That the Mayor be authorized and directed to advertise for bids, for the repair of said dam; said bids to contain plans & specifications as to the repairs which they propose to make

W. T. Pickerell

Amend

Councilman Dyford then moved to amend the Resolution by inserting "Said repair to include the construction of a fish-way and to make the height of the dam, after it shall have been repaired, three feet lower than it was originally built"; said bids to contain "such" plans and specifications as will embody said change and alteration"

remonstrance against dam repair

At this point a remonstrance protesting against the repairs signed by J O'Neal and 166 others was presented.

A motion was then made to adopt the foregoing Resolution as amended upon which a vote was had and the motion prevailed. Resolution adopted.

Mr Kelsey ask fine remitted

Mr Kelsey appeared before the council to ask the remittance of a fine imposed upon him for selling cider in less quantity than one gallon in violation of the ord. No. 294. claiming that he was not aware that such an Ordinance was in force.

On motion of Councilman Pickerell the case of Mr Kelsey was laid over until the next meeting.

Council then adjourned.

Call

Council met pursuant to a call of the Mayor made and issued upon the written request of three councilmen, to wit: Fr. J. Pickerell, D. Deford and R. H. Semple.

Roll called. Mayor Davis in the chair. The following gentlemen were present and answered to their names. Messrs Deford, Trandlin, Pickerell, Ransom, Semple, Ward and Young.

Quorum Present.

The Call was read as follows:-

To the Hon. Mayor of the City of Ottawa, Kansas.

The undersigned councilmen of said city respectfully request you to call a special meeting of the council on Thursday eve. Oct. 22, 1891. at 7 30 o'clock P. M. for the purpose of considering and acting upon the proposition to pave the alley in Block 71. and to repair the dam

Fr. J. Pickerell
D. Deford
R. H. Semple

Specifications to pave alley in Blk, 71.

In pursuance of above call as read, Councilman Deford offered the following Specifications:-

Specifications of pavement to be laid in the alley in Block 71. to-wit:- The paving material to be used must be domestic rock placed on edge not less than 12" in depth, and from 3" to 8" in thickness, with flat surface on each side, so that each stone will lay flat against the other, the same to be well settled or bedded in solid earth. The rock to be laid crosswise of the alley, forming the gutter in the center. Each rock must be hammered off so it will square not less than 10" down the face down. A curb rock of like material 4" to 6" thick and placed 12" in the

ground, and be on a level with the top of pavement; same be placed on either side of alley, where stone walls do not come out flush to the alley line. The pavement, when finished, must present a smooth surface and be of the best rubble stone work, the cracks to be well filled with sand.

The City to be at the expense of bringing the alley to the proper surface to receive the stone. Material and work to be subject to the approval of the Committee on Streets & Alleys.

At this point Councilman Anthony took his seat.

A motion was then made that the Specifications be adopted, upon which a vote was had and the motion prevailed.

Ord. for paving alley Blk 71

An Ordinance entitled "An Ordinance providing for the paving of the alley in Block 71 of the City of Ottawa."

Read the first time.

Councilman Dysord moved that the rules be suspended; the ordinance read the second time, considered by sections and placed upon its final passage. Motion prevailed.

Ordinance read the second time, considered by sections and placed upon its final passage. And the question being shall the Ordinance pass? the roll was called, resulting as follows:

Yeas 8. Nays 0.

Gentlemen voting in the Affirmative were: Messrs Anthony, Dysord, Mandlin, Pickerell, Ransom, Semple, Ward, and Young.

And so the Mayor announcing that a majority of the Councilmen having voted in favor of the ordinance, declared the ordinance duly adopted.

Resolution to repair dam Pickerell

Councilman Pickerell offered the following Resolution: Resolved: That the Committee on Streets and Alleys be authorized to repair the dam to a height 3 ft. below its original level, and to construct a durable fishway in said repairs Further, that said repairs are not to exceed $800.00.

reg. as

Councilman Anthony then moved that the Resolution be laid on the table until some future time. Upon this motion a standing vote was called for, and the motion was lost.

Resolution withdrawn Dafond offers res.

Councilman Pickerell then withdrew his Resolution, and Councilman Dafond offered the following:— Resolved, that the Committee on Streets and Alleys be authorized to durably repair the dam to a height 3 ft. below its original level and to construct a durable fish-way in said repairs — Further, that said repairs are not to exceed $800.00 And that no expense be incurred until the Com. on Sts. & Alleys obtain estimates that will satisfy them that the total cost of said repairs to dam shall not exceed the above named amount.

Bids for

The Committee on Cemetery offered the following report:

Ottawa Dec. 2. 1891

To the Mayor and members of the council of the City of Ottawa:

Gentlemen

Your Cemetery Committee, after fully

Considering the subject have concluded that it would be for the interest of the City to enlarge the area of Hope Cemetery, while there is an opportunity of doing so without incurring any large expense, and would ask you to consider the proposition of Mr J. L. Keith, in which he agrees to deed to the City a parcel of land laying west of the Cemetery, 185 feet and extending north to the Cemetery line, containing four acres more or less.

Mr Keith is willing to enter into a contract with the City whereby he shall receive pay for this piece of ground as the lots shall be sold. The City to retain one half of the proceeds. And your committee would recommend that the Mayor be instructed, on behalf of the City, to purchase said piece of ground, and to enter into a contract with J. L. Keith for payments to be made on the same in accordance with the above proposition

Respectfully submitted

report

Before taking any action on this report Councilman Dafford offered the following as a substitute:

substitute for report on cem.

Resolved: That the Committee on Cemetery be instructed to request Mr J. L. Keith to name a price per acre to the city for the 4 acres west of and adjoining Hope Cemetery, and in case he refuses to name to the City for a fair price, that the City Attorney be instructed to proceed to have the said 4 acres appraised condemned, and sold to the City for Cemetery purposes.

D. Dafford

The question being upon the substitute a motion was then made that the resolution be adopted, and upon this motion a rising vote was called, and the motion lost.

The question now being upon the adoption of the original report, Councilman Pickell moved that the report be laid over until the next meeting and referred back to Committee on Cemetery. Motion prevailed.

The Committee on Streets and Alleys submit the following report:

To the Mayor and Council of the City of Ottawa: Your Committee on S. & A. to whom was intrusted the work of having the Dam repaired, provided the cost did not exceed more than $800.00, have the honor to report: That S. T. Beeler was employed at $3.00 per day to superintend and direct the reconstruction which has been done in the most substantial manner. Your Committee required much to be done that was not included in Mr. Beeler's estimate of $700.00, because, in the judgement of the committee it was necessary to make a job complete: towit:

Excavating to gravel at south abutment and carefully walling up and filling in to prevent the water from passing around south of said abutment, and extending around the face of south abutment with large oak timbers generously donated by the S. K. R. R. Co. also the stone rip-rap and filling on the south side the bridge to protect the bank and abutment. The total cost which the clerk has carefully itemized, and a record of amounts to $704.07.
