

Salting/Snow Removal Priorities

1. State/Federal Highways
2. Central Business District
3. Hospital Access, Arterial/Collector Streets, Schools, Commercial/Industrial Areas
4. Controlled Intersections (Stop Signs and Yield Signs)
5. Sidewalks at Parks and Parking Lots
6. Local/Residential Streets
7. Airport
8. Trails

Business District Snow Removal Policy

- 2" or less – parking restrictions on arterial and collector streets, no snow is plowed in the CBD
- 2" – 6" – CBD will be plowed, snow windrowed to center of street and hauled off (depending on depth & moisture content), loader will clear priority intersections of 1st, 2nd, and 5th Streets
- 6" or more – same procedures as before, street closures and parking restrictions in the entire CBD as needed
