

Community Partner Funding Request for Fiscal Year 2025

Fiscal Year 2025

The City of Ottawa utilizes Community Partner funds as an opportunity to partner with local organizations to deliver services that align with the City's objectives. Community Partners are invited to apply for and request appropriations through the annual budget process.

The new application process is a way to ensure transparency and fairness in the review and allocation of funds. Funding is limited and subject to budget availability with final approval by the City Commission. Applicants are not guaranteed to be awarded funds. Also, successful applications may be funded for less than the amount requested based on available funding.

Application Process and Timeline

Funding applications will be reviewed by City Staff and provided to the City Commission for review and final approval. Applicants are invited to answer questions from the City Commission on Wednesday, May 22, 2024 at 4:00 pm.
